Extra Curricular Activities

2023-2024 **Mentor** **ICS**
I served as a dedicated mentor, providing guidance and support to a group of seven students as they navigated both academic challenges and non-academic pursuits through their first year. In this role, I developed strong communication and leadership skills, fostering an environment of collaboration and continuous learning.

2023-2024 **Tutor, Mathematics** **ICS**
As a dedicated tutor, I played a crucial role in supporting and guiding first-year students through the complexities of engineering mathematics. Recognizing the challenges that students often face in their initial year, I developed and implemented tailored tutoring sessions to enhance their understanding and proficiency in the subject.

2022-2023 **Event Coordinator, Axiom** **Innovision**
I have led a team of 30 members and organised a treasure hunt event around the academic area of NIT, Rourkela for the Annual Tech Fest of the Institute, where my responsibilities included designing the path of treasure hunt, managing the questions and guiding the volunteers and participants for smooth management of the event.
