Achievements/Awards

2017 **Academic Excellence Award**

Winner

I was honored with the prestigious Academic Excellence Award for my exceptional performance in the Matriculate examination. A testament to my unwavering dedication, intellectual prowess, and exceptional academic accomplishments throughout my matriculation.

2018 **Kho-Kho**

Winner

I led my college Kho Kho team to victory in the annual sports event, securing the coveted first-place trophy. This achievement highlights our team's exceptional athleticism, teamwork, and strategic prowess.

2021 **Dance**

winner

I was crowned the Dance Competition Champion for my outstanding performance. This victory showcases my exceptional dance skills and dedication to the art form.

Side Project

AUGUST 2022 **CUSTOMER BEHAVIOUR FOR ONLINE SHOPPING**

participated

This college project conducted a comprehensive analysis of customer behavior to identify effective strategies for customer acquisition and retention. By examining customer interests, browsing patterns, and shopping habits, we developed insights to optimize online shopping experiences and drive sales.

JUNE 2023 **EVENT MANAGEMENT START UP**

participated

I collaborated with a team of six to develop a comprehensive event management platform. I played a pivotal role in website design, content creation, coordination, and social media management, demonstrating strong teamwork and project management skills.
