Application Programming Interface (APIs)

## Work Experience/Projects

JUL 2024 **SecureTalk - Chatroom**

[GitHub Link](#) | [Website Link](#)

- Developed a Realtime Chat Application using React, enhancing dynamic user interactions and ensuring seamless real-time front-end updates.
- Implemented robust message sending and receiving functionality with NodeJS and Socket.io, ensuring seamless and efficient communication via web sockets.

JUN 2024 **2048-Game**

[GitHub Link](#) | [Website Link](#)

- Developed a 2048 game using HTML, CSS, and JavaScript, emphasizing responsive design, smooth gameplay, and an intuitive user experience.

MAR 2024 **Speed typing game**

[GitHub Link](#) | [Website Link](#)

- Developed using HTML, CSS, and JavaScript, featuring a user-friendly interface with text display, input field, and dynamic highlighting for typing accuracy.
- Implemented countdown timer, and post-typing analysis displaying the user's typing speed in WPM, aiming to improve typing proficiency and accuracy.

## Achievements/Certifications

### Competitive Programming

- Solved 600+ Problems on [LeetCode](#) (Max Rating - 1789)
- Ranked in the Top 8% of LeetCode Coders Worldwide.
- 5 Star on [HackerRank SQL](#)

DEC 2023 **Students Chapter Excellence Award**

**Winner**

Received the Students Chapter Excellence Award with the InCerS Executive Body for organizing various student-related activities.

APR 2022 **Indian School Certificate(ISC)-2021**

**School Rank 2**

Secured second position in school and third in city out of 1000+ students in Class 12 Board Exam.

## Extra Curricular Activities

JUN 2023 **Team Head, Scientific & Content Team**

**InCerS NITR**

As lead of an 80+ member team, I oversaw the publication and improvement of the Materials Unlocked series and played a key role in drafting the Interviews in Flashback Friday series.

DEC 2021 **Public Speaker and Designer**

**Hourglass NITR**

I served as a public speaker and graphic designer, contributing to the creation of various engaging posters and coordinating events with over 120+ participants.

DEC 2021 **Chess Player**

**The Knights Club**

I participated in tournaments, enhancing my strategic thinking and problem-solving skills and engaged in competitive matches.
