## Relevant Courses

Web Development

CS Fundamentals

## Projects

MAY-JUNE 2024 **Intern at Celebal Technologies** Summer Intern  
**Topic: React JS**

I developed and enhanced web applications using React.js, collaborating with a team to implement responsive, user-friendly interfaces with React hooks and state management. My responsibilities included writing clean code, debugging, optimizing performance, and using Git for version control, which strengthened my front-end development and teamwork skills.

DECEMBER 2023 **This project is a simple web-based to-do list application built using HTML, CSS, and JavaScript.** Mini Project  
**Topic: Web Development**

It allows users to add, edit, and delete tasks. The tasks are stored locally using the browser's localStorage feature, ensuring data persistence across sessions. The interface is intuitive, with options to edit tasks directly, and displays the current date. The project emphasizes usability and functionality for efficient task management.

## Achievements/Certifications

2021 **JEE ADVANCE**

JEE Advanced, Secured CRL 13000 among 0.2 million candidates.

2021 **JEE MAINS**

JEE Mains, Secured CRL 13000 among 1.2 million candidates.
