Work Experience/Projects

MAY 2024 **Flutter App Developer**   **Intern**
- Worked as a Flutter App Developer intern at Quixotix Bioprinting, where I contributed to the development of a mobile application that enhances user engagement with bioprinting services. The project focused on implementing features that streamline the appointment process and improve overall user experience.

AUGUST 2024 **Job Marketplace Mobile Application**   **Project**
- Developed a job marketplace mobile app (Java) using Android Studio, and Firebase for a seamless job-seeking and recruitment experience tailored for students, companies, and educational institutions in the Indian job market. The app facilitates profile creation, job search, resume management, and virtual career fairs for students while enabling companies to post jobs, manage applications, and engage with candidates.

MAY 2024 **News App**   **Project**
- Developed a comprehensive News App using Flutter that integrates a News API to fetch real-time data from various channels. The app features customizable news feeds with filtering options, allowing users to organize news by categories such as health, technology, and politics.

AUGUST 2024 **Fitness Mobile Application**   **Project**
- Developed a fitness mobile application using Flutter that personalizes the user experience with a tailored health dashboard. The app includes activity tracking to monitor daily workouts and dietary intake, progress visualization with engaging charts and summaries of health journeys, and personalized recommendations based on activity levels and dietary preferences.

MAY 2024 **WhatsApp UI Clone**   **Project**
- Created a user-friendly clone of the WhatsApp interface using Flutter. This project implements core messaging functionalities, including chat and contact management, while focusing on intuitive and visually appealing layouts with animated transitions.

Achievements/Certifications

2024 **The Complete Android 15 Course**   **Udemy**
    Mobile Application Development using Java & Kotlin

2022 **Quiz Competition**   **Finalist**
    Won 4th Prize in the Vigilance Awareness Quiz organized by Rourkela Steel Plant in NITR.

2022 **Elocution Competition**   **Winner**
    Won 2nd prize in an elocution competition organized by the Ministry of Education, GOI on Janjatiya Gaurav Divas.

Extra-Curricular Activities

2023-Present **State Co-Convenor**   **Think India**
    Think India is a forum for students in National institutes across India.

2021-2022 **Senior Division Cadet**   **National Cadet Corps (NCC)**

2023 **President**   **Odia Sahitya Samaja, NIT Rourkela**
    Odia Sahitya Samaja is the official Odia Literary and Cultural Club of NITR.
